Kia ora,

Thank you for attending the Faculty of Science Doctoral Induction Workshop today. I hope you found the workshop useful.

Please use this email as evidence that you have met the "Faculty of Science Doctoral Induction Workshop" confirmation milestone on Wahapū.

We would very much appreciate getting your feedback on the workshop, specifically on the parts you found most useful and the parts you could have done without. Please let us know how we did by filling in the evaluation form at (<https://forms.gle/CoNtDgr9dqNUf9rp9>)

For your reference, I have also attached to this email a few documents referred to in the workshop: "Getting help" and the "Contacts list" for your school/department.

In case you met some new people in the workshop that you wish to maintain contact with, here are the email addresses of all workshop participants:
